---

### gen. M.R.Stefanik's Academy of the Armed Forces (Sep 2000 – Jul 2005)

State Exam:

Telecommunications - ISDN Devices & Interfaces	A
Computer Science – SQL Triggers and Stored Procedures	A
Digital Signal Processing – DSP using Programmable Logic Arrays	A
Diploma Work – Cybernetic System Optimization using Expert Systems	A

10th Semester

Law	E
Safety at Work with Electric Devices	C

9th Semester

Telecommunication Systems Control	C
Radiocommunication Systems	C
Diagnostics of Electronic Devices	C
Engineer's Work Automatization (AutoCAD, Protel98, Xilinx)	A
Digital Systems and Voice Communication Systems	C

8th Semester

Teleinformatic Systems	E
Television Technology	A
Sensor Systems	A
Operating Systems	A
Computer Networks and Data Security	A
Economics	A

7th Semester

Numeric Computers II (8086 Assembler)	A
Digital Signal Processing	A
Operations Analysis	A
Digital Switching and Telecommunication Systems	A
Radiotechnical Devices	A

6th Semester

Antennas and Electromagnetic Waves Propagation	C
Automatic Measurement Systems (Assembler)	A
Signals and Systems	A
Information Transfer Theory	C
Numeric Computers I	C
Programming II (Visual C++)	A
Electric Measurements and Metrology II	A

5th Semester

Theory of Electromagnetic Field	A
Electronic Circuits and Systems II	C
Data and Database Systems II (SQL)	A
Probability and Statistics	E
Digital Electronics	A
Telecommunications	E
Electric Measurements and Metrology I	A

## Luboslav IVANKO

Belanska 579/34

---

4th Semester	
<b>Applied Math II</b>	E
<b>Quantum Physics</b>	A
<b>German Language</b>	A
<b>Electronic Circuits and Systems I</b>	A
<b>Heavy-Current Electrotechnics</b>	C
<b>Data and Database Systems I</b>	C
3rd Semester	
<b>Physics II</b>	E
<b>Theoretical Electrotechnics I</b>	C
<b>Applied Math I</b>	E
<b>Electronic Elements</b>	A
<b>Programming I (C)</b>	C
<b>Politics</b>	A
2nd Semester	
<b>Math II</b>	E
<b>Computer Science II (MS Office)</b>	A
<b>Physics I</b>	E
<b>Materials and Technologies</b>	A
<b>Theoretical Electrotechnics I</b>	E
1st Semester	
<b>Math I</b>	A
<b>English Language</b>	A
<b>Computer Science (MS Windows)</b>	A
<b>Documentation in Engineering</b>	C
<b>Safety at Work with Electric Devices</b>	C
<b>Ecology</b>	C
<b>Philosophy</b>	A

---

Average grade: 1.642 **80.71% equivalent**

**Master's Degree in Computer Science, Telecommunications and Digital Signal Processing received in July of 2005**

**Luboslav IVANKO**

Belanska 579/34

---

**Technical University of Kosice**

(Sep 1997 – Jun 2000)

4th Semester

**English Language**

A

**Numerical Mathematics**

A

**Electronic Elements and Systems**

E

**Programming Techniques**

C

3rd Semester

**Physics II**

A

**Materials and Technologies**

A

**Discreet Mathematics II**

C

**Machine Programming Languages**

A

**English Language**

A

2nd Semester

**Mathematical Analysis II**

C

**Computers and Programming II (Ansi C)**

A

**Physics I**

E

**Theoretical Electrotechnics I**

A

**Discreet Mathematics**

E

1st Semester

**Mathematical Analysis I**

E

**Linear Algebra I**

E

**Computers and Programming I**

A

**Electrical Engineering Basics**

C

Average grade:

1.777

**76.66% equivalent**

**Aborted after 4 semesters in August of 2000**

## **Luboslav IVANKO**

---

### **Secondary School of Electronic Engineering (Sep 1993 – May 1997)**

Leaving Exam

**Slovak Language**

A

**Informatics**

A

**Mathematics**

A

**English Language**

A

**Practical Electronics**

A

### **A Levels in May of 1997. Specialization: Light Current Engineering**

\*exams results in Slovakia are rated 1,2,3 where 1 is the best, and 3 is sufficient. 1 corresponds approximately with A, 2 with C and 3 with E in United Kingdom and United States
